Winston-Salem, North Carolina 27114

Dear Sirs:

The Winston-Salem Sertoma Club (a 501(c)(3) organization) is hosting our 6th annual Sertoma Hearing Health charity golf tournament on Friday, May 11, 2012, at Oak Valley Golf Course. The purpose of this tournament is to raise money primarily to support our efforts to work with local school children who have speech or hearing issues and to fund our summer program at Camp Sertoma, a North Carolina camp for hearing-impaired children. Any surplus proceeds will be used to support other local charitable organizations that so desperately depend on the community's aid. To ensure our success, we are turning to local businesses and individuals asking for their assistance and help as we try to raise the funds so desperately needed by these charitable organizations who are serving the needs of our community.

So, how can you help? In a variety of ways:

- Consider sponsoring a hole at the tournament (\$150)
- Consider sponsoring a team to play in the tournament (\$260)
- Contribute items to be awarded as prizes at the tournament
- Contribute small items that can be included in the "Thank You" bags presented to each player upon registration

In times when our economy is struggling as it is now, it becomes more and more important to support our charitable organizations through events such as these. We would be proud to be able to share with our participants your generosity and we feel sure you will benefit from it in the long run. For more information on the tournament, please visit our website at www.wssertoma.org.

Thank you for all you do to help keep this community strong!

Sincerely,

Michael Hsu, President
Winston-Salem Sertoma Club
